## **WAYNE W. URBINE**

### **Deputy District Engineer for Project Management**

U.S. Army Corps of Engineers, Savannah District

Wayne W. Urbine became Savannah District's Deputy District Engineer for Project Management and Chief of its Programs and Project Management Division in November 2000. The District manages approximately 250 projects in various stages of planning, design, and construction.

The division Mr. Urbine heads includes a staff of about 75, who are involved in managing military design and construction; hazardous, toxic, and radiological waste remediation; and civil works. Savannah District serves Army and Air Force installations in North and South Carolina and Georgia. The district also performs work nationwide and worldwide in support of family housing, barracks/dorms, master planning, and other facilities.

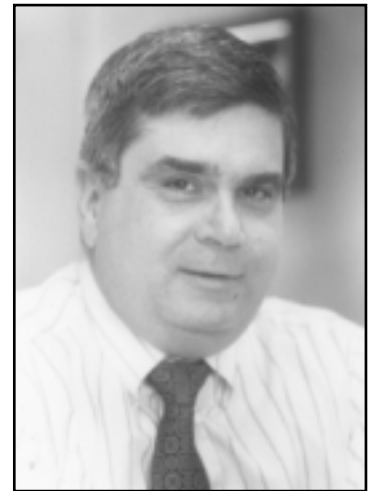

Prior to becoming Deputy District Engineer for Project Management, Mr. Urbine was chief of Military Programs and Project Management. He has worked not only in all areas of Military Programs and Project Management but also as chief of the Civil Project Management Section and chief of the Civil Works Branch.

Mr. Urbine joined the U.S. Army Corps of Engineers as a structural engineer with the Baltimore District, a position he also held in Wilmington District prior to coming to Savannah. He is a registered professional engineer in Georgia, North Carolina, and Louisiana. He is also certified as a Project Management Professional.

In 1991 the Department of the Army awarded Mr. Urbine the Meritorious Civilian Service Medal for "exceptional and courageous service" during the Kuwait Emergency Recovery Operation (KERO). The Meritorious Service Medal is the second highest decoration the Army awards a civilian. His other recognitions include two Commander's Awards, an Achievement Medal, and the Desert Shield Medal. In 1998 Mr. Urbine was named Savannah District Engineer of the Year, and in 1995 he was selected Project Manager of the Year by the Corps' South Atlantic Division.

Mr. Urbine graduated from Catholic University of America in 1968 and is a 1996 honor graduate of the Army Management Staff College. He is a member of the American Society of Civil Engineers, American Society of Military Engineers, U.S. Committee on Large Dams; National Society of Professional Engineers, Project Management Institute, and Louisiana Engineer Society.

Mr. Urbine's wife, Mary Beth, is from Collingswood, N.J. They have three sons.
